

Dear Wildcat Football Fans,

On behalf of the Wildcat Football Parents Association (WFPA) I would like to welcome you to the 2011 season and what promises to be an exciting time for Wildcat Football.

The goal of the WFPA is to provide opportunities for our families, friends, alumni, and community to get involved in the Libertyville High School (LHS) football program through an assortment of activities and events that support and enhance the high school football experience for all.

The WFPA promotes activities that encourage the growth and development of our football program and of our student-athletes. With your support providing needed resources in the way of funds, services, time, and leadership, we are able to assist in maintaining one of the state's highest quality football programs.

Our organization is composed of energetic and enthusiastic people willing to contribute their time and energy to serve all levels of this great program. The WFPA has ample opportunities for you to get as involved as you like.

This year our goal is to reach 100% parent membership in support of Coach Kuz's 33 years of dedication to Wildcat Football and the Libertyville community. The WFPA meets monthly in the Wildcat Den (the meeting room over the concession stand). Meeting times and dates are posted on our website <http://wildcatsfootball.org> and sent out via email. Please join us as we plan for the 2011 season and beyond. Your support can and will make a difference. Invest in the present and future of LHS football and its student-athletes by joining the WFPA today.

Some of the WFPA sponsored activities include:

<b>Schedule Posters</b>	<b>Kick-Off Dance</b>	<b>Spiritwear Sales</b>
